This document was produced by Credit Suisse AG and/or Swisscard AECS GmbH and/or their affiliates (hereafter "CS / SC") with the greatest of care and to the best of its knowledge and belief. However, CS / SC provides no guarantee with regard to its content and completeness and does not accept any liability for losses or tax implications which might arise from making use of this information.

The opinions expressed in this document are those of CS / SC at the time of writing and are subject to change at any time without notice. If nothing is indicated to the contrary, all figures are unaudited. This document is provided for information purposes only. It does not constitute an offer or a recommendation to buy or sell financial instruments or banking services and does not release the recipient from exercising his/her own judgment.

The information and views contained in this document are those of CS / SC or are derived from sources believed to be reliable. The transactions defined herein are complex, may involve a high degree of risk especially with regard to fluctuations in value and return and are intended for sale only to clients who are capable of understanding and assuming the risks involved (e.g., credit risk, market risk, currency risk, liquidity risk, commodity risk, emerging market risk etc.). Before entering into any transaction, you should consider the suitability of the transaction to your particular circumstances and independently review (with your professional advisers as necessary) the specific financial risks as well as legal, regulatory, credit, tax and accounting consequences. It should be noted that historical performance indications and financial market scenarios are no guarantee for current or future performance. No guarantee can be given that the performance of the benchmark will be reached or outperformed. Clients engaging in the types of transactions envisaged in this document should have the financial ability and willingness to accept the risks, which are characteristic of the transactions described in this document. No assurance can be given that the financial objective will be achieved.

This document is personal to the recipient and may only be used by those persons to whom it has been handed out. This document is not being issued in the United States of America and must not be distributed in the United States or to any U.S. Person (within the meaning of Regulation S under the US Securities Act of 1933, as amended) or publications with a general circulation in the United States. This document does not constitute or form part of an offer or invitation to purchase any securities in the United States of America. Furthermore, this document may not be distributed in any other jurisdiction except under circumstances that will result in compliance with the applicable laws thereof as local law or regulation may restrict the distribution into certain jurisdictions.

CS / SC acting solely in the capacity of a potential arm's length contractual counterparty and not as your financial adviser or fiduciary in any transaction unless we have agreed to so act in writing.

A Credit Suisse Group AG company may, to the extent permitted by law, participate or invest in other financing transactions as referred to herein with other counterparties, perform services or solicit business and/or have a position or effect transactions in the securities or options thereof.
